# INTRODUCTION

Welcome to Border Giant Inc. Warehouse services! This tariff outlines the rates and charges associated with our household goods storage and handling services. We aim to provide transparency and clarity to our valued customers regarding the costs of utilizing our secure and reliable facilities.

## RATES AND CHARGES

### IN-TRANSIT WAREHOUSING

**(As part of the BorderGiant.com receiving and exporting flat-rate package)**

For goods with pre-arranged immediate removal by common carrier prior to being recieved at the warehouse, customers can benefit from our In-Transit Warehousing service, which is included as part of the BorderGiant.com receiving and exporting flat-rate package, as outlined in the Border Giant Inc. terms of service. This package is designed to provide a seamless and cost-effective solution for handling your shipments.

- Parcels up to, but not including 40lbs: \$15 per parcel.
- Parcels from 40 lbs up to but not including 75 lbs: \$19.99 per parcel.
- Parcels weighing 75 lbs or more, or items on a pallet: \$49.99 flat processing fee.
- Multi-unit Discount: For shipments with multiple units on the same invoice or bill of lading, each additional unit after the first receives a 50% discount.

Please note that these updated flat-rate in-transit warehousing fees are applicable to shipments where collection from the warehouse by common carrier is arranged prior to goods to being recieved at the warehouse or where removal by common carrier occurs within 5 business days of being recieved at the warehouse. This service is offered in accordance with the Border Giant Inc. terms of service, and customers are encouraged to familiarize themselves with these terms for a comprehensive understanding of the package benefits.

## STANDARD WAREHOUSING STORAGE RATES

(Goods warehoused at the request of the client, outside of the In-Transit Warehousing service)

- Standard Storage: \$0.75 per cubic foot per month.
- Oversized Items (per item): \$15 fee per month. This is applicable to items which do not fit on a standard 40" x 48" pallet. The oversized item fee is in addition to the cubic foot rate.

## ACCESS AND RECEIVING FEES

- Initial receiving fee for shipments not included in an In-Transit Warehousing shipment is \$15.
- Customer Access is \$15 per visit. This includes removal by the client in any manner which is not part of the In-Transit warehousing package.

## PAYMENT TERMS

### BILLING FOR IN-TRANSIT WAREHOUSING

Shipments that are part of the "In-Transit Warehousing" service are billed on a per shipment basis. The invoice will be sent to the customer when the goods arrive at their final destination. Please refer to the Border Giant Inc. terms of service for further details on the billing process.

### BILLING CYCLE (FOR OTHER SERVICES)

- Monthly with payment due upon being received.

### PAYMENT METHODS

- Credit cards
- Cheque
- Online payments

### LATE PAYMENT FEES

- 10% of outstanding balance for payments received after the due date.

# TERMS AND CONDITIONS

## LIABILITY FOR STORED GOODS

- Liability for stored goods is in accordance with the applicable state statutes.

## STATE TAX RESPONSIBILITIES

- If a customer elects to remove shipments from the warehouse in a manner which would cause a taxable transaction to be sourced to the state of Minnesota, they are responsible for ensuring any applicable sales and use taxes are remitted to the state.
- Please refer to MN Department of Revenue Fact Sheets 156 (Use Tax for Individuals) and Fact Sheet 146 (Use Tax for Businesses) for further information regarding responsibilities.
